Code Corner

By Colleen Ferguson

In the next few issues the Code Corner will address the following frequently asked questions:

What is Code Enforcement

Who is the Code Enforcement Officer

How does Code Enforcement Work

Why does it seem to take so long for the violation to be corrected

What is Code Enforcement

Town Codes passed and adopted by the Mayor and Council have been in effect for many years. Once adopted, referred to as: Town Codes, Code and/or Code of the Town of Riverdale Park. The enforcement of the Town code is important to ensure a safe, healthy, enjoyable and livable community in the Town of Riverdale Park.

Town Codes are enforced by the Code Enforcement Officer and/or Police Officers.

Mayor's Report

By Guy Tiberio

Every two years our Town Center Elects a mayor and six members to the Riverdale Park Town Council. With a filing deadline of April 7, 2005 we are aware of at least two candidates for the office of Mayor and at least nine petitions being obtained by candidates for Town Council.

In past elections Riverdale Park has been a hot bed of local political activity with one of the highest percentage turnouts of any municipality in the county. As the elections approach, please familiarize yourself with the candidate's forum which we are beginning to establish at the present time. And most important, take the time to vote in the May 2, 2005 Elections at the Town Hall. We often hear about the precious thing called democracy. Let's do our part to show it is alive and well and thriving here in

Riverdale Park.

Fair Summary of Resolution 2005-OR-02

This charter change would amend the amount of indebtedness outstanding at anytime from 0.4 percent to 4.0 percent of the assessed valuation of all real and personal property as it appears on the County Assessment Records.

Fair Summary of 2005-OR-1

This charter change would amend the tax levy to not exceed \$.75 per \$100 of the assessed valuation of the property.

Fair Summary of 2005-OR-2

The ordinance allows voters, when paper ballots are used in any election, to use a cross (x), a check (✓), a dash (-), or a plus (+) or any mark other than initials in the square opposite the name of a candidate or write-in line when voting.

Kenilfair Shopping Center Planning Study Presentation

Tuesday, March 29, 2005

7:30pm

The Neighborhood Design Center has mobilized two volunteer Landscape Architects from Rodgers Consulting to complete a planning study for the Kenilfair Shopping Center on Kenilworth Avenue. This team will look at the possibility for façade improvements to the existing businesses and the potential for adding new businesses to the center, since currently the parking lot is underutilized. Ideally these businesses should be at the street edge and should attract potential customers from the burgeoning University of Maryland Research Park on River Road, known as "M Square", destined to be the largest research

park in the State of Maryland.

The presentation will be conducted during the Economic Development Committee Meeting at 7:30 pm on March 29, 2005 in the Council Chamber Riverdale Park Municipal Center.

We welcome your participation at this meeting.

Town Administrator

Public Works Report

Spring Clean-Up Day: Riverdale Park's Spring Clean-up day will be Tuesday, May 31, 2005 for the whole town. Do not put out metals, tires, or items with freon that day. Yard waste and metals will be collected for the A and B sides on Wednesday, June 1, 2005. See tire reminder below.

Tires Reminder: Tires **will not** be picked up free this spring. There is a \$2.50 each (\$2.00 for seniors 60+) charge for tire pickup. Tires are a notorious breeding ground for all types of mosquitoes particularly the Asian Tiger Mosquito. In our efforts to remove and reduce these breeding grounds, your tires need to be removed as soon as possible.

Yard Waste: Yard waste is leaves, weeds, grass cuttings, tree limbs, and anything biodegradable

from your yard. Please **do not mix trash and yard waste** together, as it will not be picked up. Bamboo cannot be collected with yard waste. Please put bamboo out on bulky trash days for pick up. Tree limbs that are up to 6 inches diameter and up to 5 feet long will be picked up. Yard waste is collected on the first collection day of each week for each side.

Keep our Town Beautiful:

Please sweep and remove grass clippings and weeds from the sidewalk and curb/gutter when mowing lawns or trimming weeds near the sidewalk or streets. It is against the Town Code to cause any material of any kind to be scattered, dropped, etc. upon any street, alley, sidewalk, gutter, roadway or public place within the town. Clean gutters allows the easy flow of water and keeps our town beautiful.

Spring Volunteer Cleanup - April 2nd

by Alice Ewen Walker

On April 2nd residents will once again celebrate spring's return by volunteering to clean up the walking/biking trail along the Anacostia River. Last year neighbors collected more than 20 bags of trash and removed several large items (shopping cart, car batteries, etc.) abandoned in the river. This year, we need YOUR help! The cleanup is a great way to get to know neighbors

and to spend a little time outdoors to make the community cleaner and more attractive.

Please join us on April 2nd from 9:30 am to 12:00 pm to volunteer. We will meet at 9:30 am by the playground in the parking lot of the Riverdale Community Recreation Center park.
